

# SCRUBBER/DRYERS

## BA 531

The new walk-behind series has retained the best of the former generation, but offers more comfort and productivity in an improved design.

- Low noise level due to integrated vac unit, new squeegee design and special blades allow cleaning anywhere any time.
- Adjustable brush pressure, disc or cylindrical interchangeable decks allow customization to the cleaning task.
- Robust scrub deck, strong squeegee lever, powerful traction unit with large wheels, and all electrical components in a waterproof box.

- |                            |                  |
|----------------------------|------------------|
| ■ BRUSH PRESSURE:          | 21 kg            |
| ■ OPERATING WEIGHT:        | 221 kg           |
